## Letter of Conformity For Shatter Resistant Lamps

To whom it may concern,

We can confirm that the material used in the process of shatter resisting the ultra violet lamps supplied by us, conforms to our specification for UV transmission and shatter resistant qualities.

Though not required in the field of 'Specialist Lighting' the material has been tested to and conforms to BSEN 61549 and BSEN 60695-2.

 7/2/2017.

David Bowerman  
Director
